

DANIEL JOHN BAYNOSA

System Architect

A: San Jose Rodriguez,, Rizal, 1860 **P:** +63 9603319317 **E:** danieljohnbyns@gmail.com **L:** <https://www.linkedin.com/in/danieljohnbyns>

OBJECTIVE:

Highly motivated Information Technology graduate with hands-on experience in full-stack software development. Possesses strong technical expertise in modern web technologies, containerization, and system architecture. Seeking a position where I can utilize my abilities in software engineering and collaborative leadership to build scalable, high-impact systems and drive tech innovation.

SKILLS:

- Software Development
- DevOps & Infrastructure
- Quality Assurance
- Leadership
- Team Collaboration
- Adaptability

WORK EXPERIENCE:

Product Development Intern

February 2026 – May 2026

TaoCrowd, Inc. (Agent Image)

- Contributed to the development and quality assurance of real-estate web solutions.
- Implemented automated testing scripts to ensure system reliability.

Freelance Software Developer

September 2024 – Present

- Providing end-to-end software solutions for clients.
- Specializing in the development of robust web, desktop, and mobile applications.

EnticeAds

Technical SEO Assistant (March 2023 – August 2023)

- Assisted in optimizing website structures and improving search engine rankings through technical SEO strategies.

Web Developer Intern (January 2023 – July 2023)

- Learned and applied web development skills to contribute to various projects, enhancing both frontend and backend functionalities.

EDUCATION:

Bachelor of Science in Information Technology

September 2022 – June 2026

Colegio de Montalban

INTERESTS:

System Architecture & AI: Building cross-platform application suites and actively exploring real-time AI and machine learning integrations.

Open Source: Advocating for "Managed Open Source" business models and custom Linux development.
